L.A. CONVENTION CENTER West Hall - Concourse

GPS LOADING: 1200 L.A. Live Way, LA 90015

LOADING DECK LEVEL 2

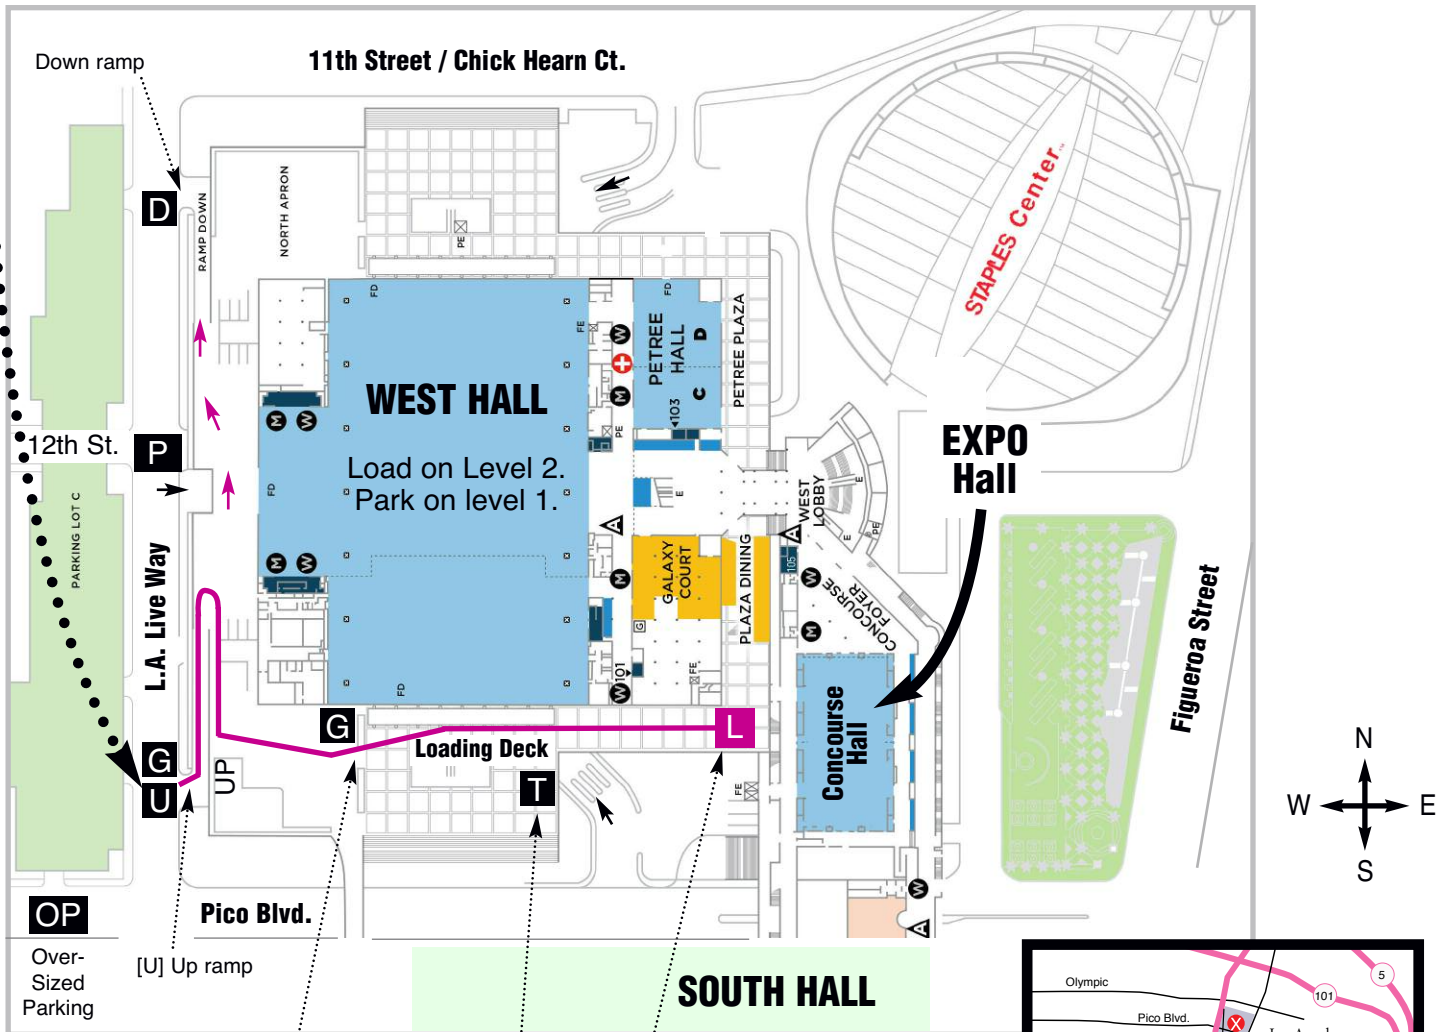

Friday 5pm-9pm

Saturday 7am-10am. Saturday 4pm-5pm.

Sunday 9am-10am. Sunday 4pm-6pm.

Proceed to the northeast corner of Pico and L.A. Live Way. Drive up the ramp [U] and make a right U-turn. Not far ahead, make a left turn through an open gate with concrete planters on either side. Continue along building at left. Look for the loading far ahead [L].

Exhibitor parking is one level below. Return to ramp area. Use the down ramp [D] directly past the up ramp. At the bottom of the down ramp turn left. Make another quick left at the first parking structure entrance [P]. Parking Fee applies.

[G] Gates that can be locked. [T] Temporary Parking. [L] Temporary Loading.

Oversized Vehicles:

Use up ramp and upper level loading deck [U]. Temporary oversized parking at [T]. See security staff for Oversized Parking Lot long term parking [OP] near Pico at Bond St. There is a fee for long term parking.

LATE Deliveries:

If arriving after regular loading hours shown at top or if loading ramps are locked, use the general parking area [P] (using GPS address at top) to load/unload. You will have to pay the current parking fee as prescribed by the City of Los Angeles. Drive forward and park as close to the blue entrance as possible. You can also try to unload on the upper deck but pedestrian gate [G] will likely be locked. Park near the gate and carry or cart items to Expo Hall. This gate will not be reopened after 10am.

Surface Streets:

Signage along city streets will direct you to the Convention Center. There are two large buildings. We are in the West Hall building next to Staples Center. South Hall is across the street and can be used for parking but not loading. Many streets travel in a one-way direction. Use GPS address at top. Loading is at the rear of West Hall up the drive up ramp.
